

ABOUT OMAR KHAYYAM

Omar Khayyam (1048 - 1131) was a Persian mathematician, astronomer, philosopher and poet.

He was born in [Nishapur](#), in northeastern [Persia](#), and was contemporary with the rule of the [Seljuks](#) around the time of the [First Crusade](#). He was part of the scientific team which was in charge of designing the [Jalali calendar](#), a solar calendar with a very precise 33-year [intercalation cycle](#) that provided the basis for the [Persian calendar](#) that is still in use after nearly a millennium.

ABOUT EDWARD FITZGERALD

Khayyam's poetry became famous in west after British poet and writer Edward FitzGerald's (1809-1883) translated his Rubaiyat into English verses.
